1966

Dedication

We, the first graduating class of Christ The King High School have chosen you, the good people of the Brooklyn Diocese, as the ones most worthy of our humble expressions of gratitude in this our first Yearbook.

We realize that we owe each and every one of you our heartfelt thanks for making all the hopes and dreams of our four years in high school a reality. For it is through your utmost confidence in the potentialities and capabilities of Christian youth, and through your generous contributions towards the betterment of your young men and women that this seat of learning has been established. Without your assistance, countless numbers of Catholic boys might never have experienced the innumerable fruits of a good Christian education.

We wish therefore to thank you for your time, your generosity, your prayers, and above all your concern and interest in youth. We will not permit your efforts to go unrewarded. In our later years we hope to reflect all that has been taught us, all that, in a great measure, YOU have taught us, because by your example of Christian involvement you have made our instruction possible.

We dedicate this first *Monarch* to you with deepest sentiments of appreciation and gratitude. May our meager dedication though bespeak a far greater dedication to those principles of Christian living that you have so nobly shown to us.

In the lexicon of youth,
Which fate reserves for a bright manhood
there is no such word as
FAIL.

The religious spirit, characteristic of a Christian education, never fails. The above young men, affected by this influence, have left Christ the King, to assume studies leading to the Brotherhood in the Marist Society.

This is the last thing
We, as Seniors shall leave to our
Alma Mater.
It is our final chance
To leave a part of ourselves
As remembrance
For the unforgettable time we
have spent here.
We will be forever grateful
To those Brothers, Teachers, and
Parents
Who bore patiently with us
From the dawn that brought us as
Freshmen
Until that final moment
When we are no longer students
But Alumni.
This now, is the end
The finishing touch to a long day.
A day we have begun as boys
And terminated as mature young
men.
And yet, this is merely a beginning
for us
A time to place ourselves in the
demanding world
For which our training has
prepared us.
Only in the twilight of our
Senior year
Can we realize how fully we have
lived those hours
Absorbing lessons in class and in
life.
Laughing, groaning, sympathizing
Helping and yet asking for help.
Sharing memories—and making
memories of our own.
All the happy and solemn experiences
Of our Senior year—and all our
years
At Christ the King
Shall remain forever in our
thoughts
May we always remain in your
memory as well.
